## FEEDING THE SOUL

F o r g i v e n e s s

*"Let thy adorning be forgiveness and mercy and that which cheereth the hearts of the well-favored of God."*

**"Forgiveness.** What it means is to forgive people even if they hurt you and the reason why it's so important to me is because if you learn how to forgive you won't have to hold grudges against people. I used to hold grudges against people because of how bad they hurt me, but then my grandmother told me that holding grudges against people is not of God. Ever since then, learning how to forgive people has been my main priority other than praying to God." -

**Kierra, age 14, Hurlock**
